### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Miller on 7/20/2004.

Mr. Miller authorizes to cancel claims 12-13.

### **DETAILED ACTION**

Applicant cancelled claims 1-6 and 12-13. Therefore, claims 7-11 and 14-23 are still pending.

#### ***Allowable Subject Matter***

Claims 7-11 and 14-23 are allowed.

#### ***Reasons for Allowance***

Claims 7, 11 and 23 are allowed since there is no prior art teaches a method of manufacturing a LCD device comprising:

- Cutting apart a first rectangular substrate from a first raw glass substrate such that a longer side direction of a first rectangular substrate is coincident with a drawing direction of the first raw glass substrate.
- Cutting apart a second rectangular substrate from a second raw glass substrate such that a longer side direction of a first rectangular substrate becomes orthogonal (perpendicular) to a drawing direction of the second raw glass substrate.

wherein line-shaped protrusions along a drawing direction of the first and second raw glass substrates.

Claims 8-10 and 12-22 are allowed since they depend on the allowed claims.

Furthermore, in the interview with Mr. Miller on July 13, 2004, Mr. Miller also confirmed that color filter 142 and common electrode 106, TFT with scanning line 520 and signal line 103 are formed DIRECTLY ON one of "irregular surfaces" 101'/102' of substrates 101/102; where the "surface irregularity" is small relative to the size (in order of micron) of the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
